SUBJECT: MTS 227507 GG, MOD 3 DRAFT REPORT

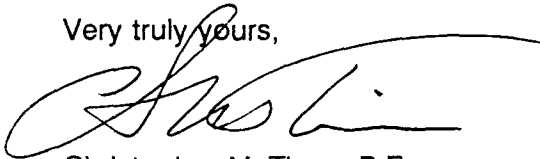

Dear Mr. Beckman:

Attached for your information is the draft report, Rocky Flats Solar Pond Project Comparative Analysis of Costs of Solidified/Fixation of Similar Superfund Regulated Impoundments. This report was prepared per the requirements of Modification No. 3 to Task Order No. MTS 227507 GG.

The comparative assessment of the Oak Ridge National Laboratory K-25 pond cleanup has not yet been completed. This assessment will be included in the final report. Additionally, since the Halliburton-NUS Cost Comparison Study Report has not been submitted to EG&G, the ICF-KE evaluation of the report will be completed at a later date.

Please contact me at 980-2008 if you have any questions.

Very truly yours,

Christopher M. Timm, P.E.  
Vice President
